

US Dollar Index® Futures

Contract Specifications

| | |
|------------------|---|
| Description | The ICE U.S. Dollar Index (USD _{DX}) futures contract is a leading benchmark for the international value of the US dollar and the world's most widely-recognized traded currency index. In a single transaction the USD _{DX} enables market participants to monitor moves in the value of the US dollar relative to a basket of world currencies, as well as hedge their portfolios against the risk of a move in the dollar. US Dollar Index futures are traded for 21 hours a day on the ICE platform. |
