- (a) The Supplier will advise the Client of the date on which the Supplier will seek to commence provision of the Services (the "**Estimated Service Date**"). 5. PAYMENT

- (a) The amounts payable by the Client to the Supplier for the provision of the Services (the "**Charges**"), and the schedule for payment of the Charges, are as set out in the Order Form and the Additional Terms Schedule.
- (b) The Client is responsible for payment of all Charges, including Charges arising from the unauthorised use of the Services, without set-off, counterclaim or any other deduction. An invoice shall be deemed to be correct and binding upon the Client if written notice of any disputed charges is not received by the Supplier within thirty (30) days of the date of such invoice. The Client's obligation to make payment of the Charges set out in the invoice in full when due is not affected by any notice of any disputed charges.
- (c) Payment shall be due within thirty (30) days of the Client's receipt of the Supplier's invoice. If the Client fails to pay any fees by the date on which they are due for payment, the Client shall pay the Supplier interest on the outstanding amount at the rate of one and one half percent (1.5%) per month (or if less, the maximum amount permitted by applicable law).
- (d) The Supplier may charge the Client a fee if the Client's cheque, bank draft or electronic funds transfer is returned for insufficient funds, where permitted by law.
- (e) All Charges are exclusive of value added, goods and services, sales, use, consumption, telecommunications, withholding and other taxes, duties, charges, levies, fees or other similar

governmental charges (“**Taxes**”) and the Client shall be liable for any such Taxes as may be levied from time to time, in which case the Client shall pay to the Supplier (at the same time as and in addition to the relevant Charge) a sum equal to the amount of such Taxes, save that, where any such Taxes are required to be withheld or deducted from any payment, the Client shall make such withholding or deduction and pay such additional amounts as are necessary so that, after withholding or deducting such Taxes, Supplier receives a net amount equal to the full amount which would otherwise have been receivable had no such deduction or withholding been required.

- (f) In addition to the Charges payable by the Client to the Supplier, the Client acknowledges and agrees that, if applicable, it shall be responsible for the payment of any Third-party Provider fees (as may be adjusted by such Third-party Provider from time to time) that result from the Client’s (and as applicable, its customers’) receipt, access to or use of the Services, together with any related administrative costs of the Supplier.
- (g) The Supplier may, by written notice to the Client from time to time, appoint a third party to collect and receive payment of the Charges. If the Supplier gives notice to the Client under this Clause 5(g), the Client shall pay the Charges to the third party until it receives a further notice under this Clause 5(g) or the Supplier cancels the appointment of the third party by giving written notice to the Client.
- (h) The Client acknowledges and accepts that it shall be solely responsible for any and all costs or expenses associated with its access to and use of the Service. Unless otherwise stated in the Order Form, the Client will, at its own cost and expense, provide any and all equipment, operating platforms, software (including web browser), and connectivity (if applicable) needed to access and use the Service.

6. RATE ADJUSTMENT

Not more than once per calendar year, the Supplier shall be entitled to adjust any of the Charges, individually or in the aggregate, provided that the Supplier gives the Client at least thirty (30) days’ prior written notice of such an adjustment (a “**Rate Adjustment**”). Notwithstanding the preceding sentence and any other provision of this Agreement, the Supplier reserves the right to (i) pass through to the Client any Third-party Provider change in cost at any time as required by such Third-party Provider; and (ii) adjust the Charges at any time if required by legislation or regulation.

7. USE

- (a) The Services are provided subject to the condition that they will only be accessed and used by the Client for authorised and lawful purposes. Except as expressly permitted in this Agreement, the Client shall not:
 - (i) copy, modify, reverse engineer, reverse assemble or reverse compile or store the Service or any part thereof;
 - (ii) license, sublicense, transfer, sell, resell, publish, reproduce, and/or otherwise distribute or redistribute the Services or any portion or components thereof in any manner (including, but not limited to, via or as part of any Internet site);
 - (iii) use the Services or any portion thereof for constructing, creating or calculating (or assisting in constructing, creating or calculating) the value of any index or indexed products;
 - (iv) use the Services as part of the Client’s intranet or other internal network; or
 - (v) create archival or derivative works based on the Services or any portion thereof. The Client shall take all precautions that are reasonably necessary to prevent any unauthorized distribution or redistribution of the Services.
- (b) The Supplier may at any time, for any reason (except where prohibited by applicable law), deny the Client’s request for the Services or limit the available facilities of the Services as determined in the Supplier’s sole discretion.

- (c) The Client shall maintain adequate security precautions, consistent with then-current industry standards, to avoid all unauthorized access to or distribution of the Services, including, but not limited to, the use of a secure server and protective firewalls, and passwords and user IDs.
- (d) Except as otherwise provided in this Agreement, the Client is responsible for making separate arrangements for use of any services (other than the Services) provided by the Supplier and its Affiliates (including trading platform and market data services) and nothing in this Agreement entitles the Client or any other party to use or receive such services.
- (e) Prior to allowing any of its Affiliates or End Users to use and access the Services, the Client shall enter into separate agreements with applicable Third-party Providers where required, and submit to the Supplier, for the Supplier's approval, notice of such access and use and the identity of the Affiliates or End Users of the Client that would use and access the Services. The Supplier shall promptly notify the Client of its approval or rejection of such use and access by such Affiliates or End Users of the Client. If the Supplier notifies the Client of: (1) the Supplier's approval of such access and use by such Affiliates or End Users of the Client, such Affiliates or End Users shall be permitted to access and use the Services as of the date of the notice of the approval; or (2) the Supplier's rejection of such access and use by such Affiliates or End Users of the Client, the Client shall not permit such Affiliates or End Users to access or use the Services.
- (f) The Client shall ensure the Affiliates' and End Users' compliance with the terms and conditions of this Agreement, and the Client shall remain responsible for such compliance. The Client, the Client's Affiliates and the Client's End Users shall be jointly and severally liable to the Supplier, the Supplier's Affiliates and/or Third-party Providers for any breach of this Agreement and for the Client's indemnity obligations set forth in Clause 14 herein.
- (g) The Client agrees and acknowledges that to the extent the Client is accessing or using any portion of the Services provided by a Third-party Provider, such Third-party Provider may enforce its rights against the Client as an intended third-party beneficiary of this Agreement by virtue of the Contracts (Rights of Third Parties) Act 1999 (as amended) and may likewise proceed against any person that obtains Data other than as permitted herein or in an Order Form, even though such Third-party Provider is not a party to this Agreement. The Client shall, where applicable, and as required to receive certain portions of the Services, be responsible for obtaining and maintaining written approval from each Third-party Provider whose prior approval is required for receipt and use of such Services and/or enter into and maintain separate agreements with the Supplier and/or Third-party Providers, as applicable, including, but not limited to, those agreements located here: www.theice.com/icedata/thirdparty ("**Additional Agreements**"). The Client shall comply with any conditions, restrictions, or limitations imposed in the Additional Agreements, which are incorporated by reference into this Agreement as if set forth in their entirety herein, and form an integral part of this Agreement, including without limitation the acknowledgments, notices, reporting and audit requirements set forth therein. This Agreement is subject to the requirements and policies of the applicable Third-party Providers which may be imposed and updated by such Third-party Providers from time to time, including, but not limited to, reporting requirements. Failure by the Client to comply with the provisions of this Clause shall constitute a material breach of this Agreement.
- (h) Where any Third-party Provider requires the Client to enter into such a separate agreement with the Third-party Provider, the Client shall, upon written request of Supplier, supply a copy of such agreement to Supplier, and the Supplier shall not be obligated to provide the Services until it receives the applicable agreement or confirmation from the relevant Third-party Provider that the Client is duly licensed. In addition, in the event of any termination of the Client's agreement with the Third-party Provider, the Client shall notify the Supplier immediately and the Supplier may suspend or terminate access to the relevant Services.
- (i) If any business (whether or not incorporated) not covered by this Agreement becomes, as a result of a merger, acquisition or reorganization with the Client, a Client Affiliate, division, group or business of the Client during the term of this Agreement, such business may not use any Services prior to the execution of an Order Form (or amendment of an existing Order Form) to cover its use of the Services, including

the payment of fees. If no reasonable agreement can be reached, such business shall have no right to use the Services delivered to the Client.

- (j) If the Client divests itself of a company or business unit, in whole or in part, and that business unit used and/or distributed the Services pursuant to the terms of an Order Form, the Client may not provide the Services to the divested business unit or use any of the Services to service the divested business unit (for example, by providing transition services) prior to the execution of an Order Form (or amendment of an existing Order Form) between the Supplier and the Client to cover use of the Services by the Client for the benefit of such divested business unit, including the payment of fees. The Client shall provide the Supplier written notice within thirty (30) days of the completion date of such divestiture. The Client's notice shall also specify the nature and extent of the divested business unit's use and/or distribution of the Services. As of the completion date of such divestiture, the divested business unit shall no longer be entitled to access or use any part of the Services unless it has entered into an appropriate agreement directly with the Supplier.

8. INTELLECTUAL PROPERTY RIGHTS

- (a) The Client agrees that all Intellectual Property Rights in the Services, and any derivative works thereof, are and shall remain exclusively the property of the Supplier, its Affiliates and/or the Third-party Providers. The Services are compiled, prepared, revised, selected and arranged by the Supplier or its Affiliates and their Third-party Providers through the application of methods and standards of judgment developed and applied through the expenditure of substantial time, effort, creativity and financial resources, and as such the Services constitute valuable intellectual property of the Supplier, its Affiliates and/or the Third-party Providers. The Client will, at the Supplier's direction and at the Client's own cost, cease to do all such actions and cease to make all such omissions as are or may be prejudicial or harmful to the Supplier's, the Supplier's Affiliates' or Third-party Providers' rights, title and interest in such Intellectual Property Rights.
- (b) Copying of, use of, access to or distribution of the Services or any information, data or software contained therein in breach of this Agreement is strictly forbidden and shall cause the Supplier, its Affiliates and/or the Third-party Providers irreparable injury that cannot be adequately compensated for by means of monetary damages. Any breach of this Agreement by the Client may be enforced by the Supplier, its Affiliates or their Third-party Providers by means of equitable relief (including, but not limited to, injunctive relief) in addition to any other rights and remedies that may be available.
- (c) The Client shall provide the Supplier with such attribution as the source of the Services, including without limitation to any Data, as the Supplier may reasonably require from time to time.

9. WARRANTIES

- (a) TO THE EXTENT PERMITTED BY LAW, THE SUPPLIER, ITS AFFILIATES AND THEIR RESPECTIVE THIRD-PARTY PROVIDERS HEREBY EXPRESSLY DISCLAIM ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, WITH RESPECT TO THE SERVICES, PERFORMANCE THEREOF OR ANY MATERIALS PROVIDED UNDER THIS AGREEMENT, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY, QUALITY, COMPLETENESS OR FITNESS FOR A PARTICULAR PURPOSE, THE INFORMATION, DATA, SOFTWARE, APPLICATIONS OR PRODUCTS CONTAINED THEREIN OR THE RESULTS OBTAINED BY THEIR USE, COMPLIANCE WITH RULES OR REGULATIONS, NON-INFRINGEMENT AND TITLE, SEQUENCING, TIMELINESS, ACCURACY OR COMPLETENESS OF INFORMATION, AND ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE.

A REFERENCE TO A PARTICULAR INVESTMENT OR SECURITY, A CREDIT RATING, OR ANY OBSERVATION CONCERNING A SECURITY OR INVESTMENT PROVIDED IN THE SERVICES IS NOT A RECOMMENDATION TO BUY, SELL OR HOLD SUCH INVESTMENT OR SECURITY OR TO MAKE ANY OTHER INVESTMENT DECISIONS. THE SUPPLIER OFFERS NO ADVICE REGARDING THE NATURE, POTENTIAL FUTURE VALUE, OR SUITABILITY OF ANY PARTICULAR SECURITY, COMMODITY INTEREST, TRANSACTION, INVESTMENT OR INVESTMENT STRATEGY. THE CLIENT ACKNOWLEDGES AND AGREES THAT THE USE OF THE SERVICES AND DATA, AND ANY DECISIONS MADE IN RELIANCE UPON THE SERVICES AND DATA, ARE MADE AT THE CLIENT'S OWN RISK. THE CLIENT FURTHER ACKNOWLEDGES AND AGREES THAT NEITHER THE SERVICES NOR ANY INFORMATION OR DATA OBTAINED BY OR THROUGH THE SERVICES CONSTITUTE AN OFFER TO PURCHASE OR A SOLICITATION OF AN OFFER TO SELL SECURITIES.

10. CONFIDENTIAL INFORMATION

- (a) “**Confidential Information**” means any and all non-public information in any form obtained by either party or its Affiliates pursuant to, or concerning this Agreement or the Services, including any matters relating to the business of each party and, to the extent applicable, the Affiliates of each party and Third-party Providers, and, including but not limited to, all trade secrets, processes, computer software, information or documentation related thereto.
- (b) Confidential Information does not include, and the obligations of this Clause 10 do not apply to, information that is: (i) already previously known to the party that receives or acquires Confidential Information (the “**Receiving Party**”) without an obligation of confidentiality; (ii) publicly known or becomes publicly known through no wrongful act of the Receiving Party; (iii) lawfully received from a third party having, to the knowledge of the Receiving Party, no obligation of confidentiality; (iv) approved for release by written authorization of the party disclosing the Confidential Information (the “**Disclosing Party**”); or (v) developed, now or later, independently by the Receiving Party without reference to the information acquired from the Disclosing Party.

Confidential Information may be disclosed as required by law, regulation, court order or request of a governmental or regulatory authority having jurisdiction over the Receiving Party, provided that the Receiving Party promptly notifies (to the extent legally permissible) the Disclosing Party of the requirement and discloses only that portion of the Confidential Information that is required to be disclosed by law, regulation, court order or request. Each party agrees to use the Confidential Information only for the purposes of carrying out their respective obligations pursuant to this Agreement. The Receiving Party’s obligation of confidentiality survives this Agreement for a period of two (2) years from the date of its termination, except in the case of trade secret information, in which event this obligation survives perpetually.
- (d) The Receiving Party acknowledges that the Disclosing Party may be subject to internal policies, laws and regulations that govern and restrict the collection, storage, processing, disclosure or use of any information that identifies or can be used to identify, contact or precisely locate the person or legal entity to whom such information pertains or from which identification or contact information of an individual person or legal entity can be derived (“**Personal Information**”), including, but not limited to, any Personal Information relating to the Disclosing Party, the Disclosing Party’s Affiliates and each of their respective customers, suppliers and personnel. Where the Client provides Personal Information to the Supplier for purposes of providing the Services (“Client’s Personal Information”), Supplier shall act as a service provider with respect to such Client’s Personal Information. The Supplier shall process the Client’s Personal Information consistent with Supplier’s Privacy Policy and unless the Client provides prior written approval, the Supplier shall not collect, retain, use, disclose or sell the Client’s Personal Information for any purpose other than performing the Services pursuant to this Agreement, enabling the Supplier to meet its legal and regulatory requirements, marketing the Supplier’s products and services, or product improvement and development. Specifically with respect to Client or one or more of its Affiliates which provide Personal Information to the Supplier that is subject to European Data Protection Laws (as defined in the Additional Terms), the Additional Terms located here: https://www.theice.com/publicdocs/Additional_Terms_EU_Subscribers.pdf shall be incorporated into and form part of this Agreement and, in the event of conflict with any other terms of this Agreement, shall prevail over such terms.

The Client agrees to comply with the Policies and Specifications and the rules and regulations of the Supplier as are notified by the Supplier to the Client from time to time. Clause 12 (Amendment) applies to any new Policy or Specification made by the Supplier or its Third-party Providers in the same way as it applies to any amendment to a Policy or Specification.

12. AMENDMENT

- (a) The Supplier may amend this Agreement, the Policies and the Specifications from time to time upon giving notice of any such amendment to the Client by posting amendments on the Supplier’s website at <https://www.nyse.com/connectivity/documents> or sending email notice to the Client, and any such amendments, including Rate Adjustments (subject to Clause 6), will be prospectively binding on the Client effective ten (10) days from the date of such posting. Notwithstanding the foregoing, the Supplier will provide thirty (30) days’ prior notice, by email to the Client or by other direct communication with the Client, of any such amendments that are likely to materially and adversely affect the Client or its rights or obligations under an Order Form. The Client’s use of the applicable Services after the effective date of any such amendment shall constitute the Client’s ratification of, and agreement to, any such amendment.
- (b) If any amendment to this Agreement, the Policies or the Specifications under this Clause 12 has a material adverse impact on the Client or its rights or obligations under an Order Form, the Client may, within thirty (30) days from the date of the notification of such amendment, provide the Supplier with no more than three (3) months’ written notice of the Client’s termination of this Agreement. If the Client terminates this Agreement under this Clause 12(b), it is agreed and acknowledged that (i) the amendment shall not apply for the remainder of the term of this Agreement except where amendments are implemented due to Third-party Provider requirements or as a result of legislation or regulation); and (ii) notwithstanding such termination, the Client will remain liable for Third-Party Provider fees due for remainder of the applicable term of the Order Form. The Client’s use of the Services following the expiry of the thirty (30) days’ notice period referred to in this Clause 12(b) shall constitute acceptance of the relevant amendment.

- (b) Nothing in this Clause 13 limits the Supplier's liability to the Client for: (1) death or personal injury caused by the negligence of that party; and (2) fraud or wilful misconduct.
- (c) The Supplier, its Affiliates and their Third-party Providers shall not be liable for any damage whatsoever to property at the Client's premises resulting from the installation, repair, maintenance, inspection or removal of equipment and facilities unless such damage is caused by the Supplier's wilful misconduct or negligence.

- (i) Subject to Clause 14 (Indemnification), the Client must bring a Claim within one (1) year following the date on which the cause of action or Claim has accrued; provided, however, that this Clause 13(i) shall not in any way limit or restrict the Supplier's ability to issue invoices for Charges relating to the delivery of the Services.

14. INDEMNIFICATION

- (a) To the fullest extent permitted by law, the Client shall indemnify, defend and hold harmless the Supplier Indemnitees on demand from and against all Claims: (1) arising out of, resulting from or related to the Client's resale or attempted resale of the Services; (2) in connection with the use of the Services; (3) for damage to any of the Supplier's property, assets or equipment arising in connection with the use of the Services; (4) for unauthorised use of any trademark, trade name or service mark by the Client, its Affiliates or End Users; and (5) arising out of or in connection with any misuse of the Services, excepting only those Claims that directly result from the gross negligence, wilful misconduct or fraud of the Supplier. The Client agrees to defend the Supplier Indemnitees against any such Claims and to pay, without limitation, all litigation costs, reasonable attorneys' fees and court costs, settlement payments, and any damages awarded or resulting from any such Claims. Notwithstanding the foregoing, the Client

The foregoing obligations of the Supplier are conditioned upon and shall remain subject to the Client: (i) providing the Supplier with prompt written notice of any Covered Claim, with the Supplier's obligation to defend and indemnify the Client with respect to a Covered Claim being reduced only to the extent that a delay by the Client in notifying the Supplier of the Claim adversely affects the Supplier's ability to defend, compromise, settle or appeal such Claim; (ii) giving the Supplier sole control of the defense of the Covered Claim and any related settlement negotiations; and (iii) cooperating and assisting (as reasonably requested by the Supplier and at the Supplier's expense) with the Supplier's efforts to defend or settle the Covered Claim. In the event that a third-party claim or other legal action is made or brought against Subscriber alleging that a Third-party Provider data or service as provided to the Client by the Supplier infringes such third party's intellectual property rights (including, but not limited to, patents, copyrights, trade secrets, database rights, design rights, goodwill and trademark rights), whether registered or not, and including applications for registration thereof, rights in know-how and moral rights, the Supplier shall indemnify the Client to the same extent the Supplier is indemnified by the Third-party Provider in question, or shall assign to the benefit of the Client the indemnification right afforded to the Supplier, if applicable. The Supplier will have no obligation under this Clause 14(c) or otherwise for any infringement or misappropriation claim based on or arising out of: (i) any modification of the Services made by someone other than the Supplier or its authorized agents; (ii) any combination or use of the Services with any other software, hardware, data, or other materials or information not furnished by the Supplier; and/or (iii) any failure of the Client, or others acting under the Client's authority or control, to comply with the Client's obligations under this Agreement. If the Services become, or the Supplier believes are likely to become, subject to an infringement claim, the Supplier may, at its sole option and expense: (x) replace or modify the Service, or any portion thereof, so that they become non-infringing; (y) obtain for the Client the right to continue using the infringing part of the Service, or (z) terminate this Agreement as to the infringing part of the Service. The foregoing states the Supplier's entire liability and the Client's sole and exclusive remedies for infringement or misappropriation claims and actions of any kind. Notwithstanding anything to the contrary herein, the Supplier's maximum cumulative liability to the Client under this Clause 14(c) shall not exceed two hundred thousand pounds sterling (£200,000) in the aggregate, regardless of the number of indemnification claims that may be made hereunder.

The Supplier's or Third-party Provider's failure to conduct an audit pursuant to this Clause 15 shall not relieve the Client from its responsibilities to comply fully with the terms and conditions of this Agreement. The Client agrees to permit the Supplier or its representatives and the Third-party Providers or their representatives to periodically inspect, at the Client's premises and during reasonable hours and at reasonable intervals, the network on or by which any portion of the Services are accessed for purposes of evaluating compliance with the terms of this Agreement.
