

Make the connection to data, expertise and technology that create opportunity and inspire innovation

No matter what you think ICE does, we do more. We operate the world's largest stock exchange and global markets. We improve risk management. We are a leader in fixed income and data services. We're digitizing the mortgage industry. And that's just the beginning.

We approach every challenge as an opportunity to connect. People with data. Markets with transparency. Industries with technology. In our world, innovation begins with connection.

Data	Technology	Expertise
The high quality, and breadth and depth of our data, enables our clients to access insights and capitalize on opportunities.	Our leading platforms and cutting-edge technology enable people to connect with each other, trade, settle, analyze and deliver results.	Our decades of experience enable us to build custom solutions from extensive data sets and proprietary technology to solve business challenges.

Our business

ICE exchanges

Transforming what's possible

We were the first to digitize the energy markets, and we continue to lead the way on price transparency, capital raising, ESG indexing, risk mitigation and more across asset classes.

- Host to nearly two-thirds of the world's traded crude and refined oil futures contracts; leading global natural gas markets
- Operates the leading and most liquid group of equities and equity options exchanges: NYSE Group which saw \$308 billion in capital raised in 2021
- Global benchmarks in energy, gas, interest rates,
 FX and equity indexes
- The world's leading clearer of energy and soft commodities futures and credit default
