

ICE mobile Tip

Contact the ICE mobile Support Team to Remotely Create or Edit Your Custom Profiles

The Custom Profiles feature on ICE mobile offers instant access to your most important markets. Now you can request ICE mobile create or edit your profile for you and push it directly to your mobile device.

To Have ICE mobile Create Your Custom Profile:

1. Create a new portfolio in WebICE containing the markets you'd like to see on ICE mobile. For optimum performance, each profile should contain no more than 20 rows of data.
2. Send a screenshot similar to the one shown below, or the list of markets to include in your custom profile to icemobile@theice.com. Include your name, WebICE ID, and product/hub/strip.
3. ICE mobile will create your profile and send a confirmation once completed.
