**ICE Training Courses**

The purpose of this Circular is to remind Members of the education and learning provision offered by the ICE Education team.

On **15 January 2009** the revised one day course: **Introduction to ICE Futures & ICE Clear Europe** will run at the new ICE office in London.

This course is ideal for new staff or those new to the ICE markets and will provide an insight to:

Exchange operations and structures:

- Membership
- Compliance
- Market Supervision
- Clearing

The ICE product portfolio

Trading procedures

Electronic trading

A practical overview of what futures are and how they are used.

Members wishing to reserve a place(s), on a first come first served basis should complete the attached registration form and return as directed on it.

The cost of this full day course is £150.00 + vat.

Members wishing to discuss this course further, or find out more about what ICE Education offers should contact Neil Scurlock on +44 (0)20 7065 7706, e-mail [education@theice.com](mailto:education@theice.com)
