

#### **EMIR 38.4: OTC operational and technical standards**

Detailed specifications covering operational and technical standards and the related specifications covering messaging protocols, data downloads, etc. relating to the OTC CDS clearing service (which is currently ICE Clear Europe's only operational OTC service currently subject to the provisions of EMIR Article 7) available on ICE's website at the following link. Please note that ICE Link provides technological support for these services and provides an API to ICE Clear Europe.
