## Delivery

- Delivery shall be at one of the designated ports, included in the list of ports published by the exchange.
- The sugar, whatever its origin or destination, shall be loaded in accordance with the Contract Terms and at a rate of no less than 1,500 tonnes per weather working day.
- The seller shall be responsible for all expenses pertaining to delivery and loading of sugar into the vessel, including freight taxes and other taxes of any nature of the country of origin or loading. The buyer shall be responsible for all expenses relating to pilotage, wharfage, customs fees and similar charges pertaining to the entry and exit of the vessel at the port.

## Bagging

- The sugar shall be packed in new sound polypropylene bags, each with a single new polythene liner, of a weight of minimum 50kg net each of sugar and each bag and liner having a combined minimum tare of 160g.
- The bags of each lot shall be uniform and suitable for export. All bags shall be of a colour as customarily used for export by the relevant producer, and for each lot each bag shall bear the same minimum marks written in the English language stating the following: product description (e.g. refined sugar), net weight, origin, crop or production year, an expiry being at least two years later than production or a validity period of at least two years, and the name of the producer.
