POTENTIAL FOR INTRA-DAY CHANGES TO CURRENT INTERVAL PRICE LIMIT LEVELS

In advance of the referendum on British membership in the European Union on Thursday, June 23, 2016, please be aware that current Interval Price Limit levels for all ICE Futures U.S. products are subject to intra-day changes based on market conditions at any time.

In the event that the Exchange does implement any change to current Interval Price Limit levels, we will endeavor to publish notice of such change as quickly as possible but such notice may be published after the fact.

A description of the Interval Price Limits functionality and current levels for all ICE Futures U.S. contracts can be found at:
