For a complete list of position limits for energy contracts, please refer to the [Energy Position Limit, Accountability and Reportable Levels](#) table on our website.

Participants and Clearing Members in the Exchange’s Environmental markets are further reminded that, separate and apart from the Exchange’s Spot Month Position Limits, certain limitations may apply to the number of physical instruments an entity may hold at any point in time in the registry of an applicable program. Participants and their Clearing Members are responsible for delivery obligations against outstanding Exchange contracts and should be aware of all such applicable limits so that positions are properly managed through expiration and delivery.

## Exemptions

Exemptions may be available for bona fide hedging positions, arbitrage, spread or straddle positions or risk management positions in accordance with Rule 6.29. For Henry Hub LD1, a Conditional Limit is also available in accordance with Rule 6.20. Exemption requests should be submitted no later than five (5) business days prior to the date the position limit takes effect. Please address any questions to one of the contacts listed in this Notice. To apply for exemptive relief for an agricultural, financial or metals contract, please phone or e-mail the appropriate contact listed below. To apply for exemptive relief for an energy contract, please complete and submit the applications provided below:
