ICE Futures U.S., Inc. publishes Arb Mark prices for Sugar No. 11 futures contracts for informational purposes only. Arb Mark prices are determined by the Exchange using the same procedures used to determine daily settlement prices, but are based upon trade prices and/or bids and offers for the respective contracts during the 12:28 to 12:30 p.m. NY time period each day. It should be noted that official Exchange margins are based upon official daily settlement prices only which are determined at a later time period during the trading day.
